

What's on

November 2024

– East Dunbartonshire

Our Community Groups are there to be enjoyed by anyone living with dementia or experiencing difficulties with their memory, including their families and friends. All are welcome. If you need help to attend though, please come with a companion who can provide any support you need. Unfortunately, we are unable to provide transport for these groups and would therefore gently remind you that it is your responsibility to get to and from this community activity, safely. Please speak to us, so we can support you to explore other transport options.

If you are unsure, or have questions about any of the groups, or have an idea for a new group, please let us know. All contact details are below.
