## December-Virtual Resource Centre (VRC)

Welcome to the Virtual Resource Centre (VRC). The VRC offers a selection of information sessions and regular activities online through our website Virtual Resource Centre page.

Everybody is welcome at our online group sessions. You can attend independently or with a companion but please note that our live sessions require a pre-booking at least 5 minutes before they are due to begin. We also have a series of sessions 'available on demand' to be enjoyed anytime. Further support for using this form can be found on the VRC website page in the 'How to' video at the bottom of the page. For information on what to expect and how to join a session there is a guide found on the VRC website page under the joining a VRC session button.
